## **ABOUT PINK NIGHT & OUR FUNDRAISING PARTNERS**

Pink Night is about continuing the fight against Breast Cancer and raising much needed funds to purchase new equipment for the BreastScreen Queensland Toowoomba Service through our fundraising partners the Toowoomba Hospital Foundation.

**Toowoomba Hospital Foundation** supports the community by helping fund equipment, services, and programs as well as staff development, research, and scholarships for Darling Downs Health.

**BreastScreen Queensland Toowoomba Service** (located at the Bernoth Centre in Ruthven Street) is the Darling Downs branch for BreastScreen Queensland who have been providing Queensland women with free, quality breast screening and assessment services since 1991.

Did you know:

- Breast cancer is the most commonly diagnosed cancer in Australian women
- If you're a woman, your risk of breast cancer increases greatly after the age of 50
- 9 out of 10 women diagnosed with breast cancer have no family history of breast cancer
- Breast screening can find breast cancer early, before it can be seen or felt by a woman or her doctor
- Finding breast cancer early means there are more treatment options
- Breast screening has a normal result for most women, with no cancer found

The Downs Speedway club was originally established in 1966-67 when racing was held at the old Toowoomba Showgrounds and continued there until 1974 when the Royal Agricultural Society announced they would promote speedway themselves. The then members of the club voted to establish their own grounds and in May 1975 the land at Charlton was purchased and many hard-working dedicated people spent a lot of hours working to establish this great complex that we enjoy today. The Down Speedway Club's Charlton Raceway complex was opened on 23 April 1977.

The club ran and operated the venue successfully until the 2013/14 season when become privately promoted by Alan Woods who operated the venue for two seasons until he sold the lease to Made Too Go Pty Ltd (Barry Waldron) in 2015 for the 2015/16 season.

## LAST MEETING WRAP UP – 8 FEBRUARY

By David Budden

Kevin Britten has won his 7th Queensland V8 Dirt Modified Title presented by Darling Downs Fabrication at Hi-Tec Oils Toowoomba Speedway on 8 February. Defending Champion David Clark started inside the second row alongside Paul Morris while Chris Corbett and Zac MacDonald shared the front row. From the start Britten was on the charge moving to the top and going forward quickly, David Clark thought about it and dropped to the bottom. By now Britten had moved to position four and Clark briefly into second, racing three wide for position Britten hitting his marks perfectly and driving into second and setting out after Corbett who by now had a comfortable two car lead. Clark, MacDonald and Cannon were the top 5 with 23 laps to go. However things were about to change as Britten who came from position nine was winding up the high line and Andrew Pezzutti was starting to make his presence felt further back. Next time around Britten had levelled up with Corbett and then into the race lead, opening up a comfortable margin while racing away. David Clark moves to second making contact with MacDonald on the way past as the laps start to wind down. Deep in traffic Britten was superb running the high line dropping to the bottom momentarily to clear traffic as the battle for the podium raged on at times racing three and four wide with MacDonald and Clark having a race of their own. Corbett now enters the equation and into third with one to go. After 30 hard fought laps Kevin Britten takes the win from Zac MacDonald and a hard charging Chris Corbett, David Clark and Andrew Pezzutti rounding out the top five.

The Late Models put on some brilliant racing also for the Tango in Toowoomba. Ben Nicastrì took the win there and at one point in the race set the fastest lap of 14.171, Carter Armstrong was next to finish while Nathan Battersby rounded out the podium finishing third. In the Formula 500 Juniors Lilly Whell lead them away from the green light. Whell who earlier in the night won the Dash was in control as Harry Lumsden tries to squeeze past on the inside enter Zack Hilder. Next time around Lumsden clips the wall breaking the front end putting an end to his feature race. From the restart Whell leads them away Hilder looks for a way around the outside and couldn't make it work. He dropped to the bottom and past Whell. At race end it was Zack Hilder who stood on the top step of the podium from Lilly Whell and Cooper Dawson. In the Seniors Toowoomba's Bailey Leeson was the one to chase as the Current Australian Champion Liam Williams was intent on closing the gap with eight to go Leeson turned the car around in turn one to bring on the yellow lights. Williams would go on to win the feature with the history book recording a total of 24 feature wins at Hi-Tec- Oils Toowoomba Speedway setting the fastest lap during the feature of 13.283 seconds. Next to finish was Bryce McGregor and Jac Laneyrie third. Bailey Leeson showed a strong result coming back from the rear of the field to finish an impressive 7th.

The Production Sedan feature was a fun race to watch, all drivers putting on some close and exciting racing in the Moore Trailers Championship Series Grand Final powered by Steering and Suspension Warehouse. After twenty exciting laps Billy MacDonald would be first to greet the checkered flag from Brodie Hollyman and Madison Harkin. Their National Title arriving in Toowoomba on April 25th and 26th. Hollyman who was third in the points race going into the Grand Final had done enough to win the series by ten points over Kaine Richters and Murray Dioth in third. The Compact Speedcars feature went to Dion Wilson from Andrew Parks and Matt O'Neil. While in the Street Stocks Engage Ag Ironman Series (round 4), Travis Hutchison took the win ahead of Luke Wilkinson and Darren Ciesiolka.
