Please note that the T-Bar Nationals is part of the Toowoomba Steering & Suspension Smackdown Series. Series points will be calculated using the points listed above. There will be no series points for qualifying Main's (eg. B Main), however the same series points used in the other rounds will be used for the Night 2 A Main (eg. 50 points to win, 46 points for second).

7. RESTARTS (CHOOSE CONE)

All restarts will be double file until the Main event has less than five (5) laps remaining or the heat race has less than two (2) laps remaining.

The selection of restart positions will be in effect, utilizing a **choose cone** on the racetrack.

Once the single file order is established, drivers must not change positions until after they have chosen a lane for the restart. When instructed by a race official, drivers must choose the inside or outside lane before the cone on the front straightaway. Drivers must maintain their chosen inside or outside position until the full field order is established. All restarts will take place with the lead lap cars moved to the front of the field. Lapped cars will pull to the inside and fall in behind the last car on the lead lap in their order of running.

From there the normal race start procedure will take place with the green flag or green light restarting the race. Normal penalties apply for any driver that makes any infringements restarting the event.

7. NOMINATIONS

Nominations for each round will be via the host club to Ryan Harris via email, office@toowoombaspeedway.com or via direct message.

Nominations close early on Monday 16 December 2024 at 12pm SHARP. Late nominations received after this time may not be accepted or subject to start rear of the field. **No exceptions.**

There is no nomination fee for this event. All drivers and crew will pay pit entry. No free gate passes.

8. RULES

This event will be run to the Speedway Australia Racing Rules and Regulations supplemented by these Supplementary Regulations. All SSA Sedans must comply with the specifications within the current SSA rule book.

All drivers must hold both a current Speedway Australia licence for SSA competition and a SSA Logbook for the nominated car. Crews must hold a minimum of a Speedway Australia pit entry/mechanic licence (Class C) or one day Speedway Australia Pit Licence.

9. LAPSCORING

Transponders will be used at all events. Transponders must be fitted on cars at all times. Drivers who do not have their own transponder can hire a transponder from the venue. Cost is \$10 per event. Drivers who do not have a transponder fitted and or working will forfeit their position. You DON'T need roof top numbers at our venue, providing the car numbers on your car meet the SSA specifications.

10. POST RACE SCRUTINEERING

All post-race checks/inspections will be as directed by the chief steward or track officials. Failure to comply with any requests from the chief steward or officials will result in a disqualification from that race.

11. AFTER RACING PROCEDURES / CAMPING

It is the driver's responsibility to collect their logbook from the main pit box located next to the dummy grid.

Drivers are expected to return their transponder (if hired) at the end of the night to the main pit box located next to the dummy grid. Failure to do so could result in an invoice for the cost of the transponder being issued from the State Association.

Camping inside the venue at the end of the night for competitors is allowed. We ask you respect the neighbours and fellow competitors camping at the venue and noise be kept to a minimum after midnight. Crews and Spectators are also free to camp in the camping area outside in the carpark. Crews and spectators are not permitted to bring their caravans / campers into the pit area at the conclusion of racing though. Crews / Spectators are free to use the Speedway amenities located inside the venue though. Hot showers are located underneath the canteen (same building as toilets) directly behind the control tower on the main straight. The showers will be opened at the end of the event. Showers are free to use, but we ask you clean up after yourself using the mop and equipment provided.

Please respect the venue and its surrounds. Misconduct will not be tolerated and reported to the Police.

Hi-Tec Oils Toowoomba Speedway has a comprehensive CCTV system that is monitored 24/7 and covers the entire venue and its surrounds.

There will be live music in the pit area for New Years Eve after racing on the final night.

Please clean up after yourself placing rubbish in the bins required.

Please take all tyres with you. \$100 fine applies for anyone leaving tyres at the venue.
